Editor-in-Chief, Acta Orthopaedica et Traumatologica Turcica

Dear Readers,

In the first issue of 2025, we commemorate Colonel Dr. Zeynep Karaosmanođlu, who passed away last year. Apart from her achievements in the military, Dr. Karaosmanođlu was among the first women in Turkey to specialize in orthopedics and traumatology. Her reputation as a “iron lady” was well-earned because of her strong moral character and perseverance in her personal and professional life. We will remember her with gratitude.

As an ongoing tradition, I have the honor of presenting you a list of our reviewers of the year 2024. Their dedication, time, and expertise have been instrumental in advancing not only our journal but also the broader scientific community. On behalf of our authors, readers and the Editorial Board, I would like to thank all our esteemed reviewers, especially those who honored all our review requests. Last but not least, it would have been impossible to handle all reviewer notes and reports without endless efforts and contributions of associate editors, to whom I am indebted.

Yours sincerely,

Haluk Berk MD
